Sharing My Wife

It turned me on to watch my wife get pounded by another man

My wife and I had always talked about her having sex with other guys, but we had never gotten any further than just fantasizing about it in bed. The first time it actually happened turned out to be a tremendous turn-on for the both of us.

Jackie has always been something of an exhibitionist. With her five-nine, 38-25-37 figure and long reddish brown hair, she has never had any trouble attracting plenty of guys who would love to fuck her.

One day we got a call from some friends of ours (I'll call them Paul and Linda), who had bought a bar in a town about fifty miles away. They were planning a charity benefit featuring several bands and were short on help. They wondered if we would come down for the weekend and help them out. I would tend bar and Jackie would wait on tables. It sounded like fun, so we agreed.

It was a casual place with a young crowd. Both waitresses, who were cute young college girls, were wearing short cut-off jeans and t-shirts. I knew Jackie, who is in her late twenties, wasn't about to be upstaged by a couple of teenagers.

I came home from work to find her working on an already brief pair of cut-offs with scissors. When she tried them on for me I knew the bands wouldn't be the only attraction that weekend. Her cut-offs were so short in back that the bottom of her butt showed, and she had

trimmed away the crotch until her copper-colored pubic hair stuck out on both sides.

She went to Paul and Linda's wearing the skimpy cut-offs, a skin-tight white t-shirt, no bra, and high-heeled sandals. Jackie was an immediate hit with all the guys in the place. One table of four dudes, all of them thirtyish and good looking, started making remarks about her long tan legs, her bouncing tits and her obvious lack of bra and panties.

I could tell that Jackie loved it. I looked up from the bar once to see her delivering a tray of beers to the table and the tallest of the four, a guy named Les, slid his hand up her leg and fingered her bare cunt under her cutoffs.

About eleven o'clock things started slowing down, so I suggested she take the rest of the night off and have some fun. So she went and sat with the four guys and took turns dancing with them. It was obvious that Les was the one she liked, because I could see them in a

dark corner kissing and swaying to the music. He had his hand down the back of her cut-offs and her nipples were as hard as rocks beneath her t-shirt. She looked like she was about ready to cum.

About one o'clock she came up to me and asked if I cared if she went for a walk with Les. Up until this point we had been faithful to each other, but I could tell she really had the hots for this guy, so I told her to go ahead and have fun. When they walked out, I could see why she was so attracted to him: his hard-on looked to be about a foot long and as big around as a beer can beneath his jeans. I'm not tiny, but I'm definitely nowhere near that well hung, so I wondered if she'd

ing faster and faster, smiling more all the time. Just then I turned around to see the three other guys who had been sitting with them. They were standing beside me, watching. They didn't know Jackie was my wife apparently, from their remarks about her body and how hot she was.

I couldn't believe it. There I was, watching the girl I love fucking some guy with the biggest cock I'd ever seen—and I loved every minute of it. Finally I could tell Les blew his load as he moaned so loud I could hear him from a mile away.

Jackie slid down and started sucking his limp cock. Even soft, he looked as big as I am hard, and though

Jackie can deep-throat with the best, she had trouble getting his entire dick into her mouth. I moved closer to get a better look. After just a few minutes of Jackie's expert cock-sucking, Les's dick got hard again. It was all Jackie could do to get the tip of the gigantic thing in her mouth, so she started licking it. Then she went down and started sucking and licking his huge balls.

ever come back.

About twenty minutes later, Paul said he'd handle last call if I wanted to have a few drinks. So I poured a tall glass of bourbon and went outside to see how things were progressing. I didn't have far to go. Our car was parked right behind the bar in a fairly well-lit spot. Jackie and Les were in the backseat. I saw that my wife had already taken her t-shirt off and he was sucking her big brown nipples.

I stood in the shadows, about ten feet away, and watched as she pulled his jeans down over his hips. His cock looked even bigger than it had under his clothes. Jackie slipped off her cut-offs and threw them in the front seat. Then she straddled Les and I could see a look of pain on her face as his big dick entered her.

A look of intense satisfaction replaced her pained expression. I watched her slide up and down on his thick rod. Les was chewing on her nipples as she started go-

he was about ready to explode again when she went back to the tip of his prick and managed to work it into her gorgeous mouth. He came almost immediately and she swallowed, but apparently she got more than a mouthful because thick white cum started running out of her month and down her chin. Jackie wiped the cum off her face and sexily sucked her fingers clean. Then she straddled Les again.

This dude was getting a real workout from my sexaholic wife, but he apparently still had some lust in him, because in a few minutes Jackie had an ecstatic look on her face and she started sliding up and down as Les worked on her stiff nipples again. I looked at my watch and to my surprise discovered I had been watching them for almost an hour.

I had told Paul and Linda that I would lock up for them and meet them at their house. I downed the rest of the bourbon I poured and went back inside to close up.

Paul and Linda were just heading out the front door and they waved and said they'd see us in a couple of hours.

I turned on the jukebox and had another drink while I waited for Jackie to finish fucking this guy. About half an hour later I heard a knock on the back door and opened it to find my wife. She looked tired but happy. Her face and thighs were glistening with cum and sweat and her jism-matted pubic hair was sticking out of her cut-offs. The scent of cum mixed with the perfume she always wears was overpowering and I felt myself getting hard.

Neither of us said anything, but I fixed her a drink

spread her cum-soaked thighs.

Her cunt had taken as much abuse as her tits. The lips were red and swollen and her clit was still hard. As I forced all my fingers into her gaping hole, she cried out in pain, but she didn't ask me to stop. I asked her if Les had a big cock, though I already knew the answer. She babbled that it had been like fucking a baseball bat, but she had loved it.

I moved over her, still squeezing her sore tits, and started fucking her in the mouth. The thought of her sucking Les's huge cock just a short while before had

me more turned on than I could ever remember. Just when I was ready to come, I pulled my throbbing cock out of her mouth and exploded all over her face and tits.

She sucked me hard again and I turned her over and worked the tip of my cock into her tight asshole. She pleaded with me not to hurt her. We had never done it Greek style before because Jackie had been afraid of the pain, but this night she was so turned on that she begged me to stick it up her ass. I

and refilled my glass. The sight of her shapely, tan, cum-covered legs and half-bare ass turned me on. When she sat down, I could see her nipples were still hard. After she finished her drink, she broke the silence and started apologizing for being gone so long; then she started crying and blurted out that she had been fucking Les.

I kissed away her tears and told her I didn't care, because she had come back to me. I didn't tell her I had been watching, but I did tell her that anybody who didn't want to fuck her was crazy and the thought of someone else actually doing it really turned me on. I said she'd better not plan on getting any sleep that night, because now it was my turn to fuck.

I was so hot for her that I literally ripped the t-shirt off her as soon as we were inside our friends' home. Les had really given her tits a working over. Her nipples were raw from his sucking and chewing and there were love marks all over her beautiful boobs. I threw her down on the rug and started biting her sore nipples as she writhed in pain and desire. I pulled off her cut-offs and

pushed in all the way and she practically screamed, but breathlessly she said it felt wonderful.

As I fucked her beautiful virgin ass, I asked if she would like Les's huge prick in there instead of mine. The thought of his giant salami filling her back entry really excited her and she tightened her sphincter muscle around my cock. I made one last hard plunge and then filled her with hot cum.

Jackie sat up and kissed me and said she wanted to take a shower, but I wouldn't let her. I told her I wanted her to stay just the way she was until morning. And besides, I wasn't ready to call it a night yet. I led her into the spare bedroom and we started all over again.

Just then Paul and Linda came home and must have found Jackie's ripped t-shirt and cut-offs on the floor, because Linda laughed that she hadn't realized we were still on our honeymoon. If she only knew the whole story!

That night started a very exciting chapter in my relationship with Jackie. It has led to swinging, group sex scenes—and a very hot marriage!

Tuesday

Talon is hanging out with his buddy who tells him about the hot delivery girl. He puts in an order, making sure to ask for Tuesday to deliver. After a short wait, the smoking hot Tuesday shows up at the door wearing a short denim skirt with her ass peeking out the bottom! It's really hot outside, so he lets her in and offers her a very generous tip if she's willing to show him her taco! Of course, she's not about to pass up this opportunity. Then, he gets his money's worth by fucking the hot pierced babe and covering her face with his tip!

I HAD TO CONFESS TO MY WIFE MY FANTASY

I had to confess to my own wife my fantasy, my heart's desire: for her to bury her head between my legs and suck me off

Coming home from her Thursday afternoon bridge party, Barbara wheeled her little car into the driveway with the reckless abandon of a restaurant parking attendant. I knew she was angry the moment she entered the house. Her brown eyes were blazing when she stood in the center of the family room and demanded, "What the hell was your car doing at the Seacrest Motel last Monday afternoon?"

Taking a deep breath, I put down my phone and tried to look innocent as I answered, "Honey, I don't think I've ever been to the Seacrest in my life."

"Don't lie to me," she snapped. "Viv and Carol both told me you were there!"

"It must have been someone else's car," I reasoned, closing my eyes and bowing my head as if I were in thought. "What made them so sure it was mine?"

"There was a bundle of mail, addressed to you, lying on the front seat!"

Damn those nosy bitches, I thought. Knowing a good offense was my best defense; I jumped up out of my chair and growled, "What were they doing at the Seacrest?"

"That's not important," she retorted. "Who were you with?"

"What if I said I was with Carol and Viv?" I pressed.

Barbara gave me a dirty laugh and shouted, "Then I'd say you were lying!" She had me. There was no way out. I'd taken our daughter's fifth-grade school teacher to the motel, and we hadn't exactly discussed her progress in school. In fact, I'd spent the afternoon getting the kind of sex I couldn't get at home. Barbara wasn't into oral sex—and I loved it.

Just seeing a pretty set of painted lips always turns me on. And whenever I see a chick walking into the wind, with her dress pressed back against her body, I dream of getting my head between her legs. I love the taste, smell and taste of pussy. Watching a woman walk in a tight pair of jeans gives me a hard-on. Their soft, round asses drive me wild.

"Yes," I reluctantly admitted. "I'd be lying if I said I was with either of them." Giving her a guilty grin, I added, "Not that I'd mind being with them, but last Monday I was with someone else."

"Who?" she demanded.

"Barbara, I'm not going to tell you," I flatly declared.

"Then tell me why?" she angrily pleaded. Not really knowing how to say it, I stalled for time. "Hon', I think you already know the answer to that question."

"Well, I don't," she snarled, "and unless you tell me, I'm going to assume that you've found someone you want to be with more than me."

BLAIR-NTS-03

There were tears in her eyes. I'd hurt her. She had every right to be angry. We'd been married ten years. I didn't love my daughter's teacher, I loved my wife. Having the teacher's full, soft lips around my cock, and her tongue licking my balls, wasn't the beginning and ending of everything in my life. It was Barbara's mouth I really wanted to fuck, and my tongue hungered for the depths of her tender vagina, but how could I tell her I wanted her to suck my cock?

Pointing at the chair I'd just left, I said, "Please sit down and I'll try to explain."

"At last," she sighed, slipping past me and settling gracefully into the soft leather. The scent of her perfume and the whisper of her stockings were almost too much for me. Her pale pink lipstick looked moist and delicious. She crossed her long, slender legs and looked up at me. The open toes of her sling back pumps allowed me to mentally feed my fetish. I carressed her with my eyes and prepared to confess desires which I knew she'd consider perverted.

I sat down in front of her on the ottoman and locked her eyes in mine. "Barbara," I began, "you must understand that I love you and no one else. You mean more to me—"

"Then why did you go to the—" she cut me off. I held up my hand and stopped her.

"Let me tell you in my own way. When I'm finished, you can ask all the questions you want. This isn't going to be easy for me, and questions will make it harder." She leaned back and waited.

My heart was pounding. I had to tell her as delicately as possible and still convey how fulfilling oral sex was for me. I didn't want to disgust her. Somehow, I had to make it acceptable to her. "Honey," I began again, "for as long as I can remember I've been enthralled by the female body. When we met, you created a hunger in me that no one else had ever been able to. The flare of your hips and the contours of your legs are exciting. Your

breasts are works of art. I love your neck, mouth, nose, eyes and hair."

Her expression softened. "When I was a little boy," I continued, "no more than three or four years old, I used to stare at my mother's friends. As I grew older I began to see beauty in the girls around me. Their breasts were budding, and one day I made a delightful discovery." Barbara leaned forward with interest.

"It was in college when I met a girl school and my friend, Nin who indulge my greatest fantasy. I brought her to my room one night and she pulled down my pants and played with my cock. I loved it. She kissed the head of it cock and licked it. It was beautiful."

"Did you come?" Barbara eagerly asked.

"Yes, almost instantly, I replied. "Then she showed me the art of going down on a woman."

Leaning back in the chair, Barbara closed her eyes and softly asked, "Did you like that too?"

"Oh, yes," I sighed.

"Is that why you went to the motel?" She opened her eyes. "Did you take someone there so you could eat her out?"

I nodded.

"Did she suck your cock?"

"Yes."

"Did you fuck her?"

"No," I admitted. "That wasn't part of it at all."

Barbara closed her eyes again. "If all you do is eat pussy at the motel, why go at all?"

My big moment had arrived. Her question set the stage for me. If I gave her the right answer, she would understand what I was after. "Honey, if you'll properly feed my fantasy... I'll never go again."

Well, that night I learned that Barb that all those times when I'd been kissing, sucking and licking her tits she wanted to grab my head and push it farther down. "I've gone to sleep at night wishing I could taste myself on your lips," she confided. "I've wanted that beautiful cock of yours in my mouth, but I didn't want you to think I was perverted!"

"Dear God," I groaned, "we've wasted so many years because of our foolish fear and pride."

Glancing at the living room clock, Barbara observed, "Peggy's going to Daphne's after school, and she's having a sleep over." Giggling like a school girl herself, she suggestively added, "Shall we make up for lost time?"

In the course of that evening and night, Barbara and I learned we both had fantasies that we'd been reluctant to share. She adored "swinging on the meat," as she called it, and when I asked her to explain where the phrase newly discovered sexual honesty revealed a slightly kinky side to both our natures. Barb enjoyed the idea of making me dress and undress her. In many respects, this fulfilled some of my fantasies that went all the way back to my childhood, but my wife added a few special touches of her own.

Asking me to remove her panties, she would say coyly, "Be a good little boy and show me how much you love her." Or, when I was on my knees, holding a pair of panties for her to step into, she might playfully

scold, "You've been a very naughty boy. You haven't kissed Mommy's pussy yet."

I also learned that I could trigger fantastic orgasms for her by being just a little rough instead of always being gentle. She loves being on top when we fuck, and when I pinch her nipples she can come a dozen times before I do. If I nibble her clit, she'll flood my mouth with her delicious cum.

It's a good thing that I work from home, because we didn't sleep a wink all that night. Knowing that Peggy wasn't coming home until after school the following day, we spent almost 24 hours in orgasmic glory. Nothing was too far out for us to try.

I'll always remember the lucky day I was caught cheating, because from that day on my wife and I have grown closer and more in love. Our daughter has noticed the difference, and she too reflects the greater happiness of our home. We no longer argue over small things. We still disagree, from time to time, but we've learned to talk to each other and express our needs and desires with love and understanding.

We recently hosted a celebration dinner for Barb's friends and their husbands. The ladies still don't know how important they've been in our lives, but she knows they'll never spot my car at the Seacrest again.

Ava

Ava is feeling very naughty as she wears her school uniform without a bra and lacy pink panties beneath her pleated skirt. David's in the other room watching TV when she comes in and starts to tease him. He then stands up and pulls out his hard dick for her to suck. She takes off her shirt so he can watch her small boobs bounce as he sinks his cock balls deep into her hungry pussy. When he's ready, he tells her to suck it out of him so she can enjoy a face full of jizz.

A close-up photograph of two young women with long, wavy brown hair. The woman on the left is looking towards the right, her mouth slightly open as if speaking. The woman on the right is looking towards the left, her mouth open in a smile, and her hand is raised to her chin, with her index finger pointing towards the first woman's mouth, suggesting they are part of a secret conversation or a 'whisper chain'. The background is slightly blurred, showing some green and white elements.

Yurizan & Emy

Yurizan and Emy showed up at the gym early. In the locker room the ladies warmed each other up as Danny came in. They quickly overpowered him but he wasn't about to put up a fight with these two. They took his cock on and slobbered all over it and made sure it stayed hard in between their boobs. One after the other, in turn they were fucked just as they wanted. Finally, he spattered his load all over their beautiful and willing faces so they could share the warmth.
